

PRIMUS-LINE SHOWER TROLLEY

PRIMUS 1000 + 2000

PRIMUS SHOWER TROLLEY MOBILE CARE TO THE HIGHEST PERFECTION

Perfectly thought-through and ergonomic down to the final detail: that's how shower trolleys by GK work. Decades of experience and continuous further improvements deliver highest levels of safety for both those requiring care and those providing it. The quality of the PRIMUS series is built on innovative spirit and dedicated workmanship that focuses on making the daily use of GK shower trolleys as pleasant as possible.

- 1** Infinitely adjustable head section
